Statement by John Loughlin on Health Care Bill

“Sadly, the health care bill that passed last night will do more harm than good. It will expand the role of government in our lives, raise taxes in the midst of a recession and slash care to seniors on Medicare. If elected to Congress, I will work with like-minded colleagues to repeal this bill and begin the process of putting people back in charge of their own health care.”

-30-

Representative John J. Loughlin II is the Republican candidate for Congress in RI-1.
