## **Loughlin Campaign Releases New Radio Ad**

John Loughlin today released a new :60 radio ad entitled “Challenging Times.” The script is below and the mp3 is attached.

### **Challenging Times**

**John Loughlin:** I’m John Loughlin running for Congress.

These are challenging times for all of us – for those of you out of work, but also for those just struggling to get by in this tough economy.

We can either continue down the path of fewer jobs, higher taxes and wasteful spending, or we can take a different course.

We all know where my opponent David Cicilline stands – he’ll be a rubberstamp for Nancy Pelosi and her tax-and-spend agenda.

My first vote will be to remove Nancy Pelosi as speaker.

I’m John Loughlin running for Congress and I’m asking for your support on Tuesday, November 2<sup>nd</sup>.

I’m a husband, a father, and a small businessman. I’m also a retired lieutenant colonel in the Army Reserves.

I’m John Loughlin running for Congress, and I’ll protect our seniors on Social Security and Medicare.

I’ll make sure we enforce the law when it comes to illegal immigration.

And I’ll make job creation my highest priority.

I’m John Loughlin running for Congress, and I approve this message because it’s time Rhode Island said no to the failed politics of the past.
